AT A GLANCE

Maytag Pet Pro Top Load Electric Dryer - 7.0 cu. ft.. Remove pet hair in the dryer with the Maytag(R) Pet Pro top load electric dryer. The Pet Pro option lifts pet hair off clothes while the XL lint trap removes loads of pet hair. This steam dryer helps prevent wrinkles while Moisture Sensing helps prevent over- and under-drying on every load on this clothes dryer for pet hair. Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

- * Pet Pro option**
The Pet Pro option uses a no-heat, extended dry time to lift pet hair from clothes and capture it in the XL lint trap.
- * XL lint trap**
This XL lint trap is built to trap and remove loads of pet hair.
- * Steam-enhanced dryer**
Steam-enhanced dryers harness the power of steam to help prevent wrinkles and refresh clothes - even on deserted loads.
- * Wrinkle Prevent option**
Don't worry about forgetting to take laundry out of the dryer. The Wrinkle Prevent option tumbles clothes for up to 150 minutes after the cycle ends to help prevent wrinkles from forming.
- * Moisture Sensing**
Two sensors closely monitor inside moisture and air temperatures to deliver the right results without the decision making. When loads are evenly dry and air reaches ideal temperatures, the cycle stops, helping prevent over- and under-drying.
- * Wrinkle Control cycle**
The Wrinkle Control cycle uses lower temperatures and defaults to using the Wrinkle Prevent option to help minimize wrinkles.
- * Quick Dry cycle**
The Quick Dry cycle dries small loads fast. Clothes will be ready before you know it when paired with the Quick Wash cycle.
- * 7.0 cu. ft. capacity**
Dry large loads with a spacious 7.0 cu. ft. capacity.
