AT A GLANCE

Maytag 30-Inch Wide Electric Range With No Preheat Air Fry and Air Baking - 5.3 cu. ft.. Introducing our 30-inch electric range, equipped to handle all your kitchen tasks with ease. Enjoy innovative cooking modes like No-Preheat Air Fry and Air Baking, while freeing up valuable counter space. Transform your cooktop into a flattop with the Griddle Zone for added cooking versatility. Maintain a pristine interior with the High Temp Self Clean feature, while Fingerprint Resistant Stainless Steel ensures a sleek exterior. Rest easy with a decade of dependability backed by our 10-year limited parts Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

- * No Preheat Air Fry**
 Strapped for time? No Preheat Air Fry eliminates the preheat process and cooks fried foods fast - delivering a crispy-on-the-outside, juicy-on-the-inside taste using little to no additional oil.* *Compared to traditional deep frying.
- * Air Baking**
 Redefine baking with the power of air. By circulating hot air throughout the oven, Air Baking delivers even heating for crispy-on-the-outside, gooey-on-the-inside cookies, juicy, tender turkey and more.
- * Griddle Zone**
 Turn your cooktop into a flat top by placing a Maytag(R) griddle* on the Griddle Zone. By combining two heating elements to create a larger surface, you can cook more food simultaneously. Whip up everything from pancakes to smash burgers to stir-fried vegetables from the convenience of your kitchen. *Sold Separately.
- * High Temp Self Clean**
 Fight the toughest baked-on foods in your oven with this high-heat, self-cleaning technology. Using just heat - no chemicals - it turns spills and grime into a powdery ash you can then easily wipe away.
- * Fingerprint Resistant Stainless Steel**
- * 10 year limited parts warranty***
 With a 10-year limited parts warranty* on the glass cooktop, elements and cavity, we built these ranges tough enough to keep cooking for years. *See product warranty for details.
- * 9"/6" Dual-Choice(TM) element**
 The 9"/6" Dual-Choice(TM) Element matches the heat to the pan you're using so you can cook your meal the way you want.
- * Precision Cooking(TM) System**
 The Precision Cooking(TM) System uses sensor heating to monitor cavity temperatures to help ensure each meal is cooked evenly.
