Results will vary based on fabric and type of pet hair. Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

- * Pet Pro Filter**
The built-in Pet Pro Filter removes 5x more pet hair.
- * Pet Pro option**
The Pet Pro option unleashes additional water and a deep rinse to activate the Pet Pro Filter, which lifts and captures pet hair from clothes. Once removed, pet hair is caught in the built-in Pet Pro Filter for a clean you can see.
- * Deep Fill option**
Get more water when you want it with the Deep Fill option. The extra water works with robust wash action to saturate loads, loosen stains and help soak away tough messes.
- * Built-in water faucet**
The built-in water faucet rinses, spot treats or soaks clothes right in the washer - no extra steps needed. After three hours, the water drains, leaving clothes ready for the wash cycle.
- * Quick Wash cycle**
Strapped for time? Using extra high-spin speeds, the Quick Wash cycle cleans small, lightly soiled loads in 30 minutes. Get clean clothes fast by pairing it with the Quick Dry cycle on matching Maytag(R) dryers.
- * Advanced Vibration Control(TM)**
The powerful shock absorbers and springs of Advanced Vibration Control(TM) reduce vibration to help keep disruptive noise to a minimum, load after load.
- * Slow-close glass lid**
Keep track of the action inside your washer with the slow-close glass lid. It offers a clear view of laundry and closes softly without slamming.
- * Auto Sensing**
Auto Sensing adjusts the water levels for each load to provide efficient cleaning.
