KEY FEATURES

*** Commercial-Grade Washer**

We've engineered a powerful commercial-grade Maytag(R) washer for your home with durable parts, including a 1/2 horsepower motor, a quad gear transmission, premium bearings, galvanized steel panels and ultra-sturdy knobs that are truly built to last.

*** Dual Action Agitator**

Deep Water Wash Options combined with a 1/2 HP Motor and a Dual Action Agitator help move clothes through the water to create Outstanding Roll-Over Action delivering a robust clean in short cycle times

*** Water Level Selector with Deep Water Wash**

Choose from 4 different water levels, low to deep water, to get the amount of water desired on any cycle.* *Fill rate also based on load size when using Normal Eco

*** 1/2 Horsepower Motor**

Our powerful 1/2 horsepower motor and sturdy drive system deliver the strength to handle large loads with ease.

*** 5-year Limited Parts & Labor Warranty, See Product Warranty for Details**

Tough and dependable year after year, we confidently back this washer with our best residential* warranty for an in-home, commercial-grade laundry appliance: 5-year all parts & labor and our 10-year limited parts warranty on the basket and motor.** *When used only in a single-family home for non-commercial purposes. Alternate warranties for commercial and other uses. **Visit Maytag.com for warranty details.

*** PowerWash(R) cycle with a selectable deep water level**

The PowerWash(R) cycle with a selectable water level saturates loads and ensures detergent is mixed into every wash.

*** 3.5 cu. ft. Capacity**

This large 3.5 cu. ft. capacity washer is made to take on the bulk of your laundry.

*** Normal Eco Cycle**

Normal Eco cycle determines the optimal level of water depending on load size and water level selected. This cycle saves both water and energy over comparable warm water cycles and saves water on cold water cycles.
