KEY FEATURES

- * 57 dBA**
Keep your kitchen quiet during cleanup with a dishwasher sound level of just 57 dBA.
- * Heavy Cycle**
Extra cycle time takes care of heavily soiled messes and hard-to-clean dishes.
- * Boost Cycle**
Skip scrubbing and pre-rinsing with the Boost Cycle. This cycle uses more water, time and heat than the Normal Cycle and takes less time than the Heavy Cycle so you can target tough messes that need a little extra effort.
- * Normal Cycle**
Use the Normal Cycle for normal amounts of food soil to clean up leftover messes from your day-to-day meals.
- * Quick Wash Cycle**
Clean dishes fast with a cycle that thoroughly takes care of plates, pans and glasses when you need them done in a hurry.
- * High Temperature Wash Option**
High Temperature Wash Option raises the water temperature to help remove stubborn grease and food grime.
- * Heated Dry Option**
A Heated Dry Option allows you to use a clean, dry dish straight from the dishwasher thanks to added heat for drying.
- * Extended Dry Option**
Extended Dry Option extends your dry cycle about 30 minutes* to help elevate drying performance for any cycle. *Added time may vary per unit.
