AT A GLANCE

Whirlpool Quiet Dishwasher with 3rd Rack. Clean dishes with a 51 dBA quiet dishwasher. A 3rd Rack lets you load hard-to-fit utensils to free up more space while the Fingerprint Resistant finish resists smudges and is easy to clean. This dishwasher also includes an Adjustable 2nd Rack to accommodate taller items and a Triple Filtration Wash System that filters food particles and cleans water between wash stages. Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

- * 3rd Rack**
Take advantage of 35% more rack space with a 3rd Rack that makes it easy to load additional silverware and hard-to-fit utensils. *Compared to Whirlpool(R) Dishwashers without a third level rack.
- * Adjustable 2nd rack**
Make room for taller items like water bottles with easy-to-find adjusters that smoothly raise or lower the 2nd rack.
- * 51 dBA**
Keep your kitchen quiet during cleanup with a dishwasher sound level of just 51 dBA.
- * Fan Drying Technology**
Skip hand-drying your dishes with Fan Drying Technology. The drying process uses a fan to deliver our most advanced drying performance in plastic and hybrid tub models.
- * Folding Tines**
Create the space you need for large dishes or hold down smaller items like lids and measuring cups with Folding Tines.
- * Extended Soak Cycle**
Presoak and wash in one Extended Soak Cycle to help stuck-on food dissolve away without any extra steps.
- * Heavy Cycle**
Extra cycle time takes care of heavily soiled messes and hard-to-clean dishes.
- * Boost Cycle**
Skip scrubbing and pre-rinsing with the Boost Cycle. This cycle uses more water, time and heat than the Normal Cycle and takes less time than the Heavy Cycle so you can target tough messes that need a little extra effort.
