AT A GLANCE

Whirlpool 24" Stainless Steel Dishwasher with AI Intelligent Wash - 47 dBA. Adapts to each day's dishes with the 24" Stainless Steel Dishwasher with AI Intelligent Wash. The Sensor Cycle is designed to adjust wash action based on soil level, load size, and water temperature to ensure your dishes come out clean. Flexible capacity allows you to fit the dishes your family piles up and the Quick Wash Cycle gets them clean in about an hour. Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

- * Get a clever clean with Sensor Cycle.**
Don't stress over settings. Sensor Cycle uses an AI Intelligent Wash designed with sensors that adjust wash action based on soil level, load size, and water temperature to ensure your dishes come out clean.
- * Flexible Capacity to fit the dishes your family piles up**
Skip scouring for spots. Flexible Capacity like a third level utensil rack and an adjustable second rack ensure there's room for whatever the day brings
- * Get dishes clean in about an hour with the Quick Wash Cycle**
From dusting off the hand-me-down-holiday tray to getting your favorite bowls back in order, the Quick Wash Cycle takes care of your day's dishes in about an hour.
- * Dissolve stuck-on-food without extra steps with the Soak & Clean Cycle**
The Soak & Clean Cycle combines presoak and wash into one cycle that dissolves stuck-on-food so you can skip extra steps.
- * Run your dishwasher without disrupting family time.**
Run your dishwasher without disrupting family time with a sound rating of 47 dBAs.
- * Normal Cycle with Soil Sensors tracks soil levels to keep dishes clean.**
The Normal Cycle with Soil Sensors measure your day's dishes to ensure a thorough clean by using a soil sensor that determines how dirty dishes are and increases wash action as needed.
- * Eco Series**
Designed with efficiency in mind. Saving you water, energy and money with quality wash and dry performance. *Compared to dishwashers meeting the minimum 2023 Department of Energy efficiency standards
- * Get peace of mind with the Leak Identification System.**
Get peace of mind with a Leak Identification System that helps detect most types of leaks. If the system detects a problem, a light will flash on the front of the dishwasher to alert you, and the dishwasher will proceed to drain water from the tub.* *Will not detect leaks from the water inlet or tub drain connections and hoses or leaks due to cracked tubs or doors
