

# Factory Closeout Whirlpool 7.0 Cu. Ft. Top Load Electric Moisture Sensing Dryer

Brand: Whirlpool | Model #: WED5010LW | SKU: WED5010LW

**FACTORY CLOSEOUTS PRICE: \$648.00**

Condition Grade A | In Stock: 31 | Includes 1-Year Factory Warranty

## AT A GLANCE

Whirlpool 7.0 Cu. Ft. Top Load Electric Moisture Sensing Dryer. This top load dryer uses sensor drying technology to help prevent overdrying by stopping the load at just the right time. Easily keep loads on your schedule with the Wrinkle Shield(TM) Option which helps keep wrinkles from setting with continued tumbling after the cycle ends or use Timed Dry for extra drying time when you need it. Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

## KEY FEATURES

- \* Moisture Sensing**  
Two sensors closely monitor inside moisture and air temperatures to deliver the right results for each load. When fabrics are evenly dry and air reaches ideal temperatures, the cycle stops, helping prevent over- and under-drying.
- \* Wrinkle Shield(TM) Option**  
After the cycle ends, help keep wrinkles from setting into clean, dry fabrics with the Wrinkle Shield(TM) Option. It keeps clothes tumbling for up to 2.5 hours after the cycle ends or until you open the door.
- \* Timed Dry**  
Take control of your time and the dryness level of your load. Set the control for 15, 30, 60 or 90 minutes when a damp load needs a little extra dry time or when using a drying rack.
- \* Air Only Cycle**  
Fluff and refresh loads or air out delicates with a cycle that tumbles your items with no heat.
- \* 7.0 Cu. Ft. Capacity**  
With a 7.0 Cu. Ft. Capacity dryer drum, there's plenty of room to easily handle the large loads you washed in the matching top load washer.
- \* Quick Dry Cycle**  
Dry a small load quickly or customize settings to add more time. Plus, you can choose to remember your settings for your next load of laundry.
- \* Interior Light**  
See every item in the dryer with the Interior Light.
- \* End of Cycle Signal**  
Know when your cycle is finished with an end of cycle buzzer.
