This single-unit front load laundry tower features easy-to-reach controls and the FreshFlow(TM) Vent System with Industry-First UV Clean. Keep your clothes and washer fresh, now with the added benefit of UV light technology that reduces bacteria in the wash without requiring high temps or fading fabrics. Simplify your laundry routine with intelligent wash and dry technology that senses and makes automatic adjustments for ideal cleaning performan Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

*** UV Clean Technology**

Industry-first UV Clean Technology reduces bacteria* in the wash without requiring high temperatures or fading fabrics. When selected, a bright blue light signals the UV technology is working to tackle the bacteria in the water, giving your clothes a deep clean while keeping fabric care in mind. *Available on select cycles. Bacteria tested include Staphylococcus aureus, Bacillus subtilis, Pseudomonas aeruginosa

*** FreshFlow(TM) Vent System**

The FreshFlow(TM) Vent System, now with UV Clean Technology, keeps your clothes and machine fresh and clean. It includes the Dry Drum Cycle, FanFresh(R) Option, Antimicrobial protection, and industry-first UV Clean Technology.

*** Intelligent Wash & Dry**

Intelligent Wash & Dry technology uses sensors in the washer to detect load size and fabric type, automatically adjusting water level, temperature, and wash action for ideal fabric care and cleaning performance. Then sensors in the dryer detect moisture and temperature to adjust dry time to help prevent overdrying.

*** Handwash Cycle**

Gently loosen soils in delicate items that need a little extra care with the Handwash Cycle. Choose your preferred water temperature and soil level, then gentle agitation mimics handwashing to soak away stains while helping maintain the shape and size of your fabrics.

*** Front Load Laundry Tower**

Save space and easily reach the centralized control panel with a front load laundry tower configuration

*** Smart Features with Whirlpool(R) App**

Be in control and stay connected from anywhere. The Whirlpool(R) App lets you start, pause, track progress and receive notifications when you're away, so you can manage laundry day right from your smartphone.* *Features subject to change. WiFi & App Required. Details & privacy info at whirlpool.com/connect. Appliance must be set to Remote Enable.

*** Finish Laundry in Under an Hour**

Finish laundry in under 1 hour by pairing the 25 minute Quick Wash cycle with a 30 minute timed dry.* Experience the ultimate time-saving duo for hassle-free laundry days. *Based on a 10 lb load on medium heat

*** Antimicrobial Protection**

Antimicrobial protection on the rubber seal helps keep your washer fresh by preventing the growth of odor-causing bacteria and mold.
