AT A GLANCE

Whirlpool 30-inch Electric Smart Range with Advanced Air Cooking Technology and WipeClean(TM) Coating. Get the ultimate in Advanced Air Cooking Technology that uses true convection to bring fresh options to family dinner with this 30-inch, High Speed Preheat 5.3 cu. ft. electric range. Clean with just water, not harsh cleaners, with WipeClean(TM) coating, the easiest to clean electric cooktop coating.* Get crispy and save time with No Preheat Air Fry, and go from gooey to golden and bake evenly on multiple racks with Air Baking. Plus, you can stay on top of the latest cooking features and unlock new Brand-new factory closeout - backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

* Advanced Air Cooking Technology

Save time in the kitchen with Whirlpool's convection Advanced Air Cooking Technology. Using a fan and third heating element, experience the power of true convection heating with the built-in Air Cooking modes that rapidly and evenly heat your food, getting your cooking done fast.

* WipeClean(TM) Coating

WipeClean(TM) Coating offers the ultimate easy-clean solution for electric cooktops*. Water alone removes baked-on food and spills; no harsh cleaners required. Simply wet, wait, and wipe with a non-scratch sponge. *When compared to cooktops with the same heating technology and similar wattages.

* 10 Cooking Modes

Take your favorite meals from fresh, fridge or freezer to fabulous with the Air Cooking Technology of No Preheat Air Fry, Air Baking, Air Roast, Air Broil and Air Reheat, or use traditional Bake, Slow Cook, Broil, Proof, and Keep Warm Cooking Modes.

* No Preheat Air Fry

Skip the wait with No Preheat Air Fry. The convection fan evenly circulates high heat around your food for consistently crisp results with less oil. Serve up crispy chicken wings and crunchy mozzarella sticks in a flash.

* Air Baking

Get even results when baking on multiple racks with Air Baking. Whether you're looking to bake twice as many cookies, or cook your dinner entrees and sides at the same time, our high-speed convection fan evenly circulates air flow and drives consistent heat throughout the oven, so you can make more in less time.

* Air Broil

Easily caramelize thick cut proteins and veggies with the high heat of Air Broil. Our high-speed convection fan circulates the intense broiler heat throughout the oven, easily browning thicker cuts of meat and produce.

* Air Roast

Prep your favorite proteins and start roasting without the wait of preheating using Air Roast. Our high-speed convection fan keeps air flow circulating through longer cook times, sealing in flavor of a golden crisp whole roasted chicken, or enjoy hearty dishes like pot roast.

* Air Reheat

Skip microwaving and add crispness to leftovers like pizza with Air Reheat. Our high-speed fan drives heat to quickly bring food up to temp.
