AT A GLANCE

Whirlpool 18 cu. ft. SideKicks(R) All-Freezer with Fast Freeze. This is a brand-new factory closeout appliance offered at a deep discount and backed by a Factory 1-Year Parts & Labor warranty.

KEY FEATURES

- * LED Interior Lighting**
LED interior lighting is longer-lasting and uses less energy than incandescent lighting. Plus, it casts a bright light on the contents of your refrigerator so food looks as it should.
- * Fast Freeze**
The Fast Freeze Option helps you chill large amounts of food fast at just the push of a button. How it works: This option freezes large amounts of food fast, by driving freezer temps 10 degrees colder than the lowest setting.
- * Electronic Temperature Control**
Convenient, up-front electronic temperature controls let you choose the ideal temperature for whatever frozen foods you're storing.
- * Temperature Alarm**
A temperature alarm notifies you when the freezer's temperature rises to help you monitor the ideal environment for your frozen foods.
- * Frost-Free Defrost**
Frost-free defrost automatically prevents frost build-up, so you'll never have to empty the freezer for a manual defrost again.
- * Optional Ice Maker Kit**
Forget the ice trays. With the optional icemaker available on all Amana(R) top-freezer refrigerators, you can enjoy cold, refreshing beverages like smoothies and iced tea.
